I did not schedule anyone for Christmas or New Year's Masses. If you have a preference and are able to participate in these Masses, please sign your name next to the scheduled day and the assignment will be posted. Thank you as always for your continued work and volunteering your talent with our church. It is always a pleasure to see you all on the altar, doing the good work for God and our Pastor. Return your choice for holiday Mass to the Parish Office or to the collection basket. Thank you, Cheryl Michalski
